CIBIL Score

NH

This section reflects your credit score, which is widely used by loan providers to evaluate loan applications. An individual's CIBIL Score ranges between 300-900, and is calculated basis the information in the "Accounts" and "Enquiry" section of the CIBIL report. The closer the score to 900, the more confidence the loan provider will have in your ability to repay the loan and hence, the better chances of your application getting approved.

Please note in some cases you might be displayed a CIBIL Score of either "NA" or "NH" which indicates one of the following 3 things:

1. You do not have a credit history or you do not have enough credit history to be scored, i.e. you are new to the credit system.
2. You have no credit activity in the last couple of years.
3. You have all add-on credit cards and have no credit exposure.
