Retail Loan Functionalities

1. <u>User management rights to Tier 2 (RO) and Tier 3 (ZO) users:</u>

Currently user management rights for the bank users are only available with Tier 4 (HO user). As received inputs from multiple bank users, the same rights need to be available with Tier 2 and Tier 3 for effective control and faster process.

To make platform more useful, now the user management rights are now available with Tier 2 and Tier 3 users.

User management rights includes*:
- o Active / inactive bank user ids
- o Add branch user
- o Change details in bank users i.e. mobile number, branch user role, branch, etc.
- o Unlock user id
- o Reset password of user
- o View / download all users of that Tier 2 and Tier 3

*These rights are only available for users / branches which are tagged with Tier 2 and Tier 3.

- For screen wise walkthrough please refer **Annexure – 2**

2. <u>Raised limit of maximum loan amount and Tenure parameters for Personal Loan:</u>

As require by bank users, now we have increased Personal Loan maximum amount from Rs. 15 lacs to Rs. 20 lacs. Also, maximum tenure of Personal Loan has been increased form 5 years to 6 years.
